Regulator Data Request

Robert Card, Vice President
Environmental Restoration/Waste Management & Integration
Kaiser-Hill Company, L.L.C.

On a quarterly basis, the U.S. Department Of Energy, Rocky Flats Field Office provides results of sampling data covering groundwater, surface water, and soils to the Environmental Protection Agency, Region VIII and the Colorado Department of Public Health and Environment. Data requests are addressed in the Interagency Agreement (IAG) under Part 37 Sampling and Data/Document Availability, Paragraph 209, page 77. Items associated with the IAG are already included in the contract. Please continue to provide this sampling data on a quarterly basis starting this quarter.

This technical direction is not intended to impact the cost, schedule, or scope of the contract. If you believe there will be such an impact, you should immediately notify the Contracting Officer Representative and the Contracting officer and not implement the technical direction received.
